INTRODUCTION

For the past 37 years, Lee Anne Stewart and her staff have offered the highest quality dance technique while making classes fun and enjoyable for the students.

We limit the size of our classes and group students by age and skill level to ensure that each student gets the best possible opportunity to learn and enjoy dance. We motivate and encourage our students to try harder and build their self-concept in the process. We are friendly and positive and make an effort to get to know each student individually.

Our facility has three large studio rooms so that the dancers will have plenty of room to execute techniques they have learned. For your convenience there is a small shop where dance clothes and shoes may be purchased.

The studio is centrally located to Milford, North Webster, Leesburg, Warsaw, Ligonier, Goshen and New Paris on 300 East in Syracuse.

We look forward to you joining our dance school family!

POLICIES

There is a registration fee of **\$25.00 per class**. This fee is nonrefundable and nontransferable but will be applied toward dance costumes if the student dances for the entire year.

All students should attend each lesson and be properly dressed. Any student who is not dressed properly may not be permitted to dance with the class.

Students may not be permitted to participate in class if tuition payments are past due.

A parent or guardian must notify the dance school if the student is unable to attend a class.

Dance classes may not be held due to inclement weather. Please watch WSBT-TV, check WSBT.com, check the dance school website at stewarddanceschool.com or call the dance school after 3:30 PM if conditions are questionable.

Payments may be mailed or dropped off at the dance studio.

DANCE PRODUCTION

Our annual dance production will be held three (3) times on June 17, 18 and 19, at the Warsaw High School Performing Arts Center. Some classes will be asked to dance in more than one performance, but most classes will perform in one show. Costumes for the dance production will be chosen and pictures will be made available in January. The costumes will range in price from \$40.00 to \$70.00. The costume balance due will be posted to your account and a statement mailed in December. The balance of the costume fee will be due by January 6, 2011.

During the week of the dance productions, all students will be required to attend a technical rehearsal on Monday, June 13, 2011, and each dress rehearsal for every show in which they perform.

Rehearsals are mandatory to participate in the dance production.

Any student who misses five or more lessons after January 1, 2011, may not be permitted to perform in the dance production.

We would like for all students to participate in the dance production for the theatrical experience of their dance education; however, it is strictly optional.
